Fall 2016

Dear parents,

All kindergarten and elementary students have the opportunity to participate in choir. For students in grades 2 – 5 choir practice is on Wednesday for one half hour during recess time. The kindergarten – 1st grade practice time has yet to be finalized but will be during the school day. All choir practices begin the week of September 19, 2016.
The Choir will perform at an evening Holiday concert, one or more senior citizens residences, spring shows and at the graduation ceremony. All participants will be required to purchase a "Choir" shirt, which is a three button polo style with a small school logo on the front. The burgundy shirt cost $15.00 and must be paid for when placing order, checks made payable to MCC (You may use your shirt from last year). This is a big commitment for both the student and the parent. Please check your calendars before making the obligation to join. Any student that begins Choir and chooses to stop will not be permitted to rejoin.

Complete and sign (parent & student) this notice indicating your decision to join Choir. Return by Monday, September 19, 2016.
